Instrument*	AV600			
Probehead	CPMAS			HRMAS

Sample information

1. Sample Name				Sample properties*		
2. Quantity		mg		stable	light sensitive	toxic
3. Return Sample*	Yes	No		other:		
4. Paramagnetic atoms	Yes	No				
5. Molecular formula				Consulting*:	Yes	No
Molecular Structure (or information on origin/synthetic pathway)				Interpretation*:	Yes	No
				Analytical Protocol*:	Yes	No
				Return sample*:	Yes	No
				Store in refrigerator*:	Yes	No

To be completed by the operator

6. Experiment**	Spin rate	Print

Time	Sheets	Measurement	Print	Sample preparation
Total price:				

7. Other requirements:
